Satisfies: Communications (C)

AS 401

National Security Studies

This course is designed for college seniors and gives them the foundation to understand their role as military officers in American society. The course closely examines the national security process, regional studies, Air Force doctrine, and current issues affecting the military profession. Emphasis is also given on refining oral and written communication skills.

Corequisite(s): AS 499

Lecture: 3 **Lab:** 0 **Credits:** 3

Satisfies: Communications (C)

AS 402

Preparation for Active Duty

Designed for college seniors, it gives them the foundation to understand their role as military officers in American society. This course builds upon the subject matter previously covered in AS 401 and also further examines regional studies, advanced leadership, ethics, military justice, the military as a profession, and officership. Preparation for active duty life is one of the core elements of this course, and students will learn the role of an Air Force commander in addition to different services and programs available on a military installation. Emphasis is also given on refining oral and written communication skills. Continuation of Leadership Laboratory.

Lecture: 3 **Lab:** 2 **Credits:** 3

Satisfies: Communications (C)

AS 499

Leadership Laboratory

This lab is taken in conjunction with AS lecture courses. The purpose of the Leadership Laboratory (LLAB) is to augment the AFROTC academic curriculum by providing prospective Air Force officers the opportunities and feedback needed to develop the leadership, managerial, and supervisory skills required of successful Air Force officers.

Lecture: 0 **Lab:** 3 **Credits:** 0
