The College of Computing, founded in 2020, is the newest college at Illinois Tech dedicated to ensuring students across campus have the computing and data science ideas and skills needed to succeed in today's technological society. The college offers dozens of degrees and certificates in computing from the foundational to the applied as well as mathematical and manufacturing processes through our four departments/programs: Applied Mathematics, Computer Science, Industrial Technology and Management and Information Technology and Management.

**Applied Mathematics**
- Bachelor of Science in Applied Mathematics
- Bachelor of Science in Statistics

**Computer Science**
- Bachelor of Science in Artificial Intelligence
- Bachelor of Science in Computer Information Systems
- Bachelor of Science in Computer Science

**Industrial Technology and Management**
- Bachelor of Industrial Technology and Management

**Certificate Program**
- Certificate in Industrial Technology and Management

**Information Technology and Management**
- Bachelor of Information Technology and Management
- Bachelor of Information Technology and Management: Transfer Program
- Bachelor of Science in Applied Cybersecurity and Information Technology

- Minor in Applied Mathematics
- Minor in Artificial Intelligence
- Minor in Computational Mathematics
- Minor in Computational Structures
- Minor in Computer Architecture
- Minor in Computer Networking
- Minor in Computer Science
- Minor in Cyber Security Foundations
- Minor in Industrial Technology and Management
- Minor in Information Security
- Minor in Information System Administration
- Minor in Information System Network Management
- Minor in Information Technology Foundations
- Minor in Information Technology and Management
- Minor in Internet Application Development
- Minor in Operating Systems
- Minor in Programming Languages
- Minor in Software Engineering
- Minor in Statistics
- Minor in Supply Chain Management
- Minor in System Administration
