¹ SSCI 493 may be substituted with a 300+-level STS elective.

² Minors will be selected in consultation with the program director/adviser based on the student's interests, goals, and academic qualifications for successfully completing the required coursework. Transfer students may be approved for a substitution of a minimum of 15 credit hours of appropriate STEM coursework above and beyond Core Curriculum requirements. Students who enter Illinois Tech as Science, Technology, and Society majors may consult with the undergraduate program director about similar substitutions as well. All such substitutions must be approved by the program director.
